PROGRESS

This is a record of a year. It contains you, your friends, L.H.S., and 1960. Remember-this combination will become a part of your fondest memories.

Spirit, enthusiasm, and progress these are the things that made up our 1960 school year. Seven hundred students and thirty faculty members bustled about the fun-filled halls of L.H.S.

Here enclosed you find our memories of fun. The rebirth of spirit and enthusiasm was a great improvement for all concerned. We were unified--- we were carefree--- we worked. But no matter what else we did we had fun.

SPIRIT

ENTHUSIASM

With the ringing of the passing bell, the halls of L.H.S. burst forth with familiar sounds of laughter and excitement again.

Today we meet new friends and new teachers but it won't be long until we're all well acquainted.

Up the stairs and on to another year at L.H.S.

Hi neighbor! Cathy Rattray and Don Wannocott put their books in their new lockers.

Senior John Tuttle orders Dennis Marsh to carry his books. Rough isn't he?

What she doesn't know won't hurt her

Mmmmm! aren't grasshoppers good! !

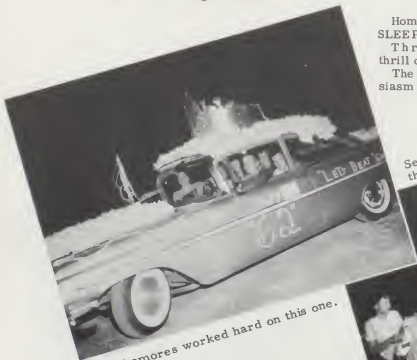

The beginning of an exciting year of Football

Homecoming

Pep Rally was big success --- Co-Captain Bill Mundee burns the Portage Indian.

Sophomores worked hard on this one.

Homecoming, a magic word for --- WORK --- NO SLEEP --- and a wonderful time.

Through the years traditions grow and die, yet the thrill of Homecoming will never fade away.

The victory over Portage climaxed a week of enthusiasm and spirit.

Seniors girls work to the end.

This Junior float was chosen the most beautiful one.

The Pep Band takes a break

The float with the most spirit was won by the Seniors.

HOME-COMING
Seniors

Junior Marion Midkiff was crowned Homecoming Queen

The Court was made up of-Seniors, Judy Coloney and Rosezell Loveless. Junior, Brenda Roberts. Sophomores, Judy Hamman and Sandi Moore. Freshmen, Sandy Yuriglas and Sara Laumever.

Everyone always has fun at the Homecoming dances.

Mr. Touchdown, Jim Herbst, has first dance with Queen Marion.

THE COURT OF THE 1959 HOMECOMING

Lowell had a great year in Basketball. There were many exciting games. The Pep Club showed alot of spirit, and grew this year to 150 students.

Don't forget your change.

Hine out jumps the opposing team.

Time out--Mary Kay and Carol hurry to start a yell.

Christmas Concert

The annual Christmas Concert, put on by the Choir, brought to the public a selection of beautiful Christmas songs.

This concert gave the Choir and audience a feeling of Christmas spirit.

Choir performing under the direction of Wendall Fredrick.

Holiday Ball

Student Council President Georgia Dickerson looksexhausted as she welcomes late comers Dick Ruge and Carol Urbanczyk.

The Holiday Ball was a gala event. Many hours of work and planning went into the decorations and preparation of this annual Ball.

As usual the Student Council gave us an unforgettable evening.

George Schulte and Betty Jo Wisler follow an old tradition, kissing under the mistletoe.

Inter-Class

These tournament winners are very joyous.

Tourney

WE DID IT AGAIN!!

There are many activities at Lowell High during the school year but there's one in which all the classes participate and that's the Inter-Class Tourney.

This year the boys and girls of the Senior class took the honors.

All teams played their very best and thus made a successful 1960 Inter-Class Tourney.

Uhhhhh-Got it,

P.T.A. Carnival

Senior candidate Ann Harder was crowned P.T.A. Carnival Queen.

All classes worked very hard this year. They held bake sales, car washes, paper drives and all sorts of money making projects.

Fun was had by all. Games, movies, dancing and refreshments were provided.

The crowning of the Queen was the highlight of the evening. Ann made a very pretty Queen.

The other candidates were: Freshman Billie Kay Ogborn, Sophomore Cherly Mandy, Junior Shelly Lach.

Jim Baker tries his hand at target shooting.

This clown entertained throughout the evening.

Spring Concert

The Band played a number of fine selections.

The Choir sang songs from *Gigi*.

Queen of the May-Phyllis Luckiewicz

The Mother's Tea, sponsored by the G.A.A. and Home Ec. Club was a lovely event.

Attractive Phyllis Luckiewicz reigned as Queen of the May.

The program consisted of a Fashion show and musical selections.

Each Mother received a baby orchid at the door.

Following the program punch and cookies were served to all.

FACULTY

"Knowledge with the personal touch stimulate thought and develops the minds of those who care enough to try."

from-Purdue's "Debris," 1958

Although we often forget it, the faculty is an integral part of our school. The high standards of our educational system are maintained only by the diligence and high ideals of our teachers. We may not show it very obviously, but we're really proud of our many teachers "who care enough to try."

A good teacher dedicates many hours to us in addition to the six he spends in the classroom. Besides correcting papers and preparing lessons, he attends P.T.A. meetings, basketball games, football games, class plays, band and choir concerts, evening meetings of the clubs he sponsors, and perhaps he is taking a graduate course at one of the university extension centers nearby. The most meaningful rewards a dedicated teacher receives are our stimulating questions and our interest in learning.

This is our principal, Mr. Frank E. Dick: A. B. Indiana State Teachers College; M. S. Indiana University.

The tremendous job of running our school requires much thought and careful attention. Mr. Dick devotes himself sincerely to this task with hopes that L. H. S. may be continually bettered by his efforts.

Mr. Dick, the students of Lowell would like to take this opportunity to say thank you for all that you do in our behalf thruout the year.

Thomas Stuart: A. B. Butler; M. S. Purdue

Almost everyone at L.H.S. feels that Mr. Stuart is his or her personal friend. If anyone has a schedule problem-or even a social one, he knows Mr. Stuart will lend a helpful, encouraging ear. Plus counseling, he prepares our recommendations for college and vocational school applications.

Our assistant principal thinks alot of Lowell and we think alot of him.

Ray Forburger and Bill Weaver, our trustees, assume the responsibility of directing the administrative work at the high school.

Mary Frances Baughman B.S. Indiana State Teacher's College, M.S. Indiana University

Miss Baughman is a very much respected part of our school. She allows no "monkey business" in her classes but she always has time to help a student who is in earnest. All of the students in school eagerly await the trimming of her solid geometry class's Christmas tree. She spends many after hours helping the students with this project. Miss Baughman is a Sophomore sponsor.

Mathematics and Science

See what I made?

Judith Ann Brammer B.S. Indiana State Teacher's College

Miss Brammer is very much devoted to her chosen fields--Biology and Chemistry. You can find her busily engaged in some type of experimentation or research throughout the year. Next year she will go back to the classroom to get her Masters degree at the University of Georgia, where she has been awarded a scholarship.

She is also a sponsor of the active Y-Teen group and of the senior class.

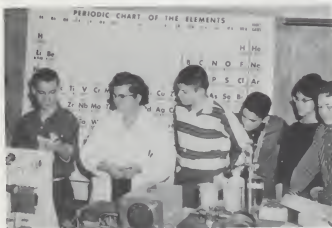

Vilas J. Moretz B.S. Indiana State Teacher's College

Besides teaching biology to the freshmen, Mr. Moretz coaches wrestling, football and golf. He displays a wonderful faith in people which has earned him high respect from the students and faculty alike. His biology classes are always very interesting. He sponsors the seniors.

Who says girls are afraid of snakes?

Mrs. Hand, traveling science teacher.

John Todd B.S. Indiana Central

He may not be tall, but neither is he small . . . We all know that stature is measured by more than mere pounds and inches and Mr. Todd offers living proof of this. Students have much respect for him because they know he's fair and sincere and well, an all-around "good guy". He is kept busy teaching physics, physiography, coaching wrestling and sponsoring the senior class.

Harold Huff B.S. Indiana State Teacher's College

Mr. Huff teaches Algebra and coaches football. Everyone knows that he is an enthusiastic supporter of the things he believes in. He very actively sponsors the energetic pep club and also the sophomore class.

Diligence...

We must be brave!

Ralph Story is one of the I. S. T. C. students who did his practice teaching at Lowell.

Hazel Nichols A. B. Indiana University

Mrs. Nichols teaches English and literature to the Juniors. She leads many interesting discussions which are enjoyed by all who participate. It is easy to see that she enjoys teaching as we enjoy having her. Mrs. Nichols is a junior class sponsor.

English

William F. Martin B.S. Indiana State Teachers College, M.A. Indiana University

Mr. Martin teaches Senior English-Literature, Composition and Speech and Drama. He also directs the plays given at L.H.S. and sponsors troupe 1691 of the National Thespian Society. Mr. Martin has the ability to lead very stimulating discussions which are enjoyed from time to time by all his classes. He is a Sophomore class sponsor.

Gladys Hetherington A.B. Hanover College

Sophomore English and literature is taught by Mrs. Hetherington. She is reknown for her friendly smile, and a ll agree that she makes a very much qualified sponsor of the Sunshine Club. She also sponsors the Freshman class.

Johnnie C. Baker B.A. West Kentucky State College

Mr. Baker enjoys teaching English to us mainly because he likes people. Aside from English, he is advanced in the study of Spanish. When he was asked his opinion of L.H.S., he said, he likes it but he's like to see a more extensive foreign language department in the future. Mr. Baker sponsors the Junior class.

Vivian Hile B.A. Coshen College

Besides teaching four periods of Junior English, Mrs. Hile teaches two classes of history. She is a dedicated teacher who really accomplishes what she sets out to do. She sponsors the sophomore class.

The night before the research paper was due...

Judith Vaught B.A. Indiana State Teacher's College

In just a year, this petite redhead has gained recognition for being able to insert into a lecture humor; that is humorous. For this reason, Miss Vaught seems to enjoy teaching English and Latin. She sponsors the Senior class and the Y-Teens.

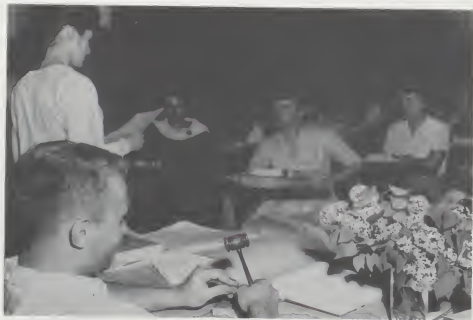

C. Edward Chapman B.S. Wabash College

Any senior will vouch for the fact that Mr. Chapman's government classes are interestingly different! Being quite a statistician, he often discusses topics of government, politics or people and statistical comparisons.

Mr. Chapman sponsors the Sophomore Class.

Social Studies

The fourth senate...in action(?)

Gerald Braun B.S. Indiana State Teacher's College

Mr. Braun teaches both U.S. and World History. He seems to be very much dedicated to his chosen field because his students say they really learn alot about history. He sponsors the freshman class.

Warren Fulk B.S. Indiana State Teacher's College

Mr. Fulk is reknowned for his amicable smile. I also hear that he makes U.S. History quite interesting. He very actively sponsors the junior class and is on hand to support all their activities.

Mary Alice Wilcox A.B. Central Normal College,
M.A. Indiana University

Miss Wilcox is one of the busiest teachers around school. Besides teaching shorthand and bookkeeping, she manages the bookstore, the sale of candy and is responsible for the student secretaries who participate in the office practice program. All of her students vouch for the fact that she is an excellent teacher. She is a sponsor of the freshman class.

Commerce

The office girls hard at work

Robert A. Miller B.S. Indiana State Teacher's College

Robert A. Miller teaches commercial studies and is the advisor of our yearbook staff. Hardly a sports event occurs that isn't attended by Mr. Miller. He is our official basketball scorer.

He directs the camera staff which is close on the heels of every activity concerning school and the sponsors.

George Ham A.B. De Pauw

Mr. Ham teaches six periods of typing. He is also responsible for the publishing of our paper, "The Lowellette". He is an expert typist and has won many awards in contests through the years. Mr. Ham sponsors the freshman class.

James E. Little B.S. Purdue University

Mr. Little teaches chemistry and agriculture. His room is filled with trophies and pennants won by Ag students through the years under his direction. He sponsors the sophomore class as well as the Future Farmers of America.

Vocational Arts

Arline Vandermark B.S. Purdue

Mrs. Vandermark teaches home economics to the sophomore and senior girls. She also plans the attractive and delicious meals served in our cafeteria and serves as the Dean of Girls.

Mrs. Vandermark is a sponsor of the Home Ec' Club and of the Senior class.

Don't worry, it will be a great success!

Rosemary Huff, B.S. Indiana State Teachers College

Our other Home economics teacher is Mrs. Huff. This is her second year of teaching which she seems to enjoy very much. In addition, Mrs. Huff sponsors the sophomore class and the Home Economics Club.

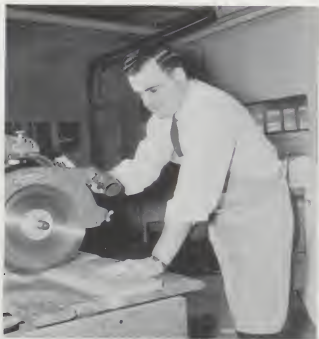

Paul Schuyler: B.S., M.S. Purdue University

The many boys in the shop classes are ably instructed by Mr. Schuyler. Under his supervision, the students complete many beautiful and functional projects. He is the coach of our great basketball team and the cross country team too. Mr. Schuyler also is in part responsible for our very active boys intramural program.

Jim and Cecil hard at work

Kenneth Kline B.S. Indiana State Teacher's College

Here, we see Mr. Kline hard-at-work in the shop. He teaches mechanical drawing and he supervises the boys taking shop courses. He is the assistant football coach and the freshman basketball coach.

Gloria Prysock B.A. University of Alabama

During the course of a year, we study an interesting variety of physical activities in girls' gym classes. We have Miss Prysock to thank for this. She also sponsors G.A.A., the Junior class and Student Council.

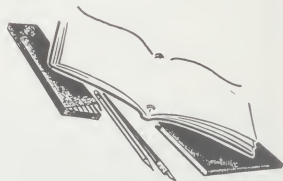

Keith Perry, a student teacher from Indiana State Teachers College.

Daniel Molchan B.S. Purdue University

Mr. Molchan teaches physical education and health and safety to the boys. He is also responsible for our wonderful football and basketball teams of which we are so proud. He is a sponsor of the Senior class.

Physical Education

Fine Arts

Leonard B. Minix B. M. E. Indiana State Teacher's College

In the two years that Mr. Minix has directed our band, it has doubled in size. He gives private lessons to all the students so that the band may continually improve. All through the summer he keeps the band "on its toes" through individual lessons and semi-weekly evening rehearsals.

His office is always "flocked" by students wishing advice, or merely wanting to talk.

Mr. Minix also sponsors the freshman class.

Robert Ray A.B. Iowa Wesleyan B.A.E. Art Institute of Chicago

The two classes of history taught by Mr. Ray find the art displays in his room a constant source of enjoyment.

Under his direction, the art department keeps the school activities publicized through attractive posters, the queens crowned, and the school beautiful in general.

He sponsors the Student Council and the Sophomore class.

Wendall Frederick B.A. Manchester College, M. A. Northwestern

Mr. Frederick is one of the most congenial teachers at L. H. S. His "easy-going" manner inspires confidence in his students. He teaches Latin and vocal music. The choir has achieved a number of honors under his direction.

He sponsors the Junior class.

Geraldine F. Thompson A.B. Lindenwood College,
M.A. University of Illinois

Miss Thompsons' job of taking care of our library and its more than five thousand volumes is a busy one. She gives invaluable training to our student librarians who in turn help her with her duties. She also helps to arrange the auditorium programs we enjoy thru the year. Miss Thompson sponsors the Junior class.

LIBRARY

Student Librarians: Joan Marsh, Marsha Baswell, Sue Childress, Charolet Schultz, Pricilla Holly, Lynn Diekman, Janette Fedeler, Rosanne Genge, Luella Mueller, and Sandra Turner.

OFFICE STAFF

Mrs. Wooldridge and Mrs. Bussellburg are our hard-working secretaries.

ACTIVITIES

To add interest and create some deviation from our studies, organizations have been formed.

There are approximately 12 organizations at L.H.S. The activities of the clubs are varied from sending of cards by the Sunshine Club to decorating for the Holiday Ball by the Student Council. The various projects of these clubs keep the members busy and working together.

Following you will find many activities of the many clubs.

"Of the Students---by the Students---for the Students!" The Student Council is looked to for leadership and guidance by the student body.

Georgia Dickerson began the year as Student Council president and presided over the first project, which was setting up a dress code.

In October the officers journeyed to Indianapolis and attended the National Student Council Convention.

Each year the Council sponsors the traditional Homecoming celebrations and one of the most important annual events---the Holiday Ball!

Membership is made up of one boy and one girl representative from each home room.

Serving as officers are: Brenda Roberts, PARLIMENTARIAN; Janet Nomanson, SECRETARY; Georgia Dickerson, PRESIDENT; Barbara Sullivan, V. PRESIDENT; and Frances Wernes, TREASURER.

Student Council

Another activity was providing and serving refreshments at the National Honor Society installation.

Here, Doug Herbst is giving his campaign speech to the whole student body, while running for Vice President.

"VOTING DAY AT L. H. S." The Student Council rented a voting machine for their Spring election. Here Judy Rieke, Frances Wernes, and Jeanne Kleinke are in charge as Mariann Rhode, LaVerne Bruce and Joan Tempelin take their turns at voting.

Thespian Society

"Forty new candidates take their oath of membership."

Judie Nomanson receives her official certificate of membership.

Lynn Hunter turns the gavel over to the newly elected president, George Phillips.

"Act Well Your Part; There All The Honor Lies."

This organization called Troupe 1691 of the National Thesian Society encourages students to attain a better mastery of language, to develop poise and self-control and to appreciate gramatic literature and its techniques.

Memberships given as recognition for maritorious work in dramatic arts.

Serving as officers are: Nancy Gordon, TREASURER; Ronald Bartlow, SCRIBE; Lynn Hunter, PRESIDENT, Pat Kasper, SECRETARY; and Jerry Pierce and Bob Benda (absent), BOARD MEMBERS.

"A weekly ritual... hanging the pep signs."

RAH! RAH! RAH! These are the very familiar words shouted at each game by our Pep Club.

This organization, which is the largest in the school, consists of about 150 students.

The Pep Clubs main objective is to back the student body spiritually and to promote enthusiasm toward our athletic teams.

The new red and black capes worn at each basketball game this year was a great improvement!

Here, Wilodene Mahone, Lynn Hunter, Pat Kasper, Jane Quivey and Charlene Stevens, are shown acting out a skit for the Homecoming Pep Session.

A variety of expressions accompany each game!

National Honor Society

Wilford Stratton is shown here signing the official record book.

In March 1960, principal Frank E. Dick announced the formation of the Summa Cum Laude Chapter number 8295, of the National Honor Society at L. H. S.

The purpose of this organization is to promote scholarship, service to the school, leadership and character.

To become a member a student must maintain a high scholastic average. Other factors considered, in order to become a member are leadership, service and character.

Thirty-one members were installed on March 24 by the Calumet High School Honor Society.

The officers are as follows: Stuart Juuti, PRESIDENT; Pat Kasper, V. PRESIDENT; and Delores Russell, SECRETARY.

Joyce Pratt receiving her official membership card.

Sunshine Club

Featured here, is a group of students belonging to the Sunshine Club. A lot of credit should be given to this organization because of its spreading of good wishes and cheer to students and faculty members who are sick.

Students are elected into the Sunshine Club as Freshmen and they serve a four year term.

To begin the school year the club sponsored a "Get Acquainted Party" for incoming Freshmen and new students, as well as returning students.

A very active and popular organization for GIRLS is the Girls Athletic Association. The club, designed to promote sportsmanship and cooperation, consists of about 120 girls.

Sports participated in throughout the year, at noon hour, are Deck Tennis, Basketball, Volleyball and Softball.

Each year G. A. A. has a great part in presenting the Mother's Tea.

Senior Marilyn Ellis admires her trophy, awarded for being the outstanding G. A. A. girl.

Seniors

Lowellette Staff

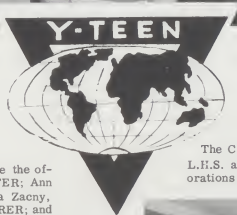

The co-editors for the 1959-60 school year are Virginia Parker and Wilodene Mahone.

A main point of interest around L. H. S. is the publication of the **LOWELLETTE**, which is adequately handled and directed by the student editors and their sponsor.

Organizing and putting out the **Lowellette** is a difficult job. It takes hours and hours of work on layouts, typing and retyping, and the planning and taking of pictures.

Among the many special sections featured in each issue are: Senior Spotlight, Lil Devil, Letters To The Editor, Roving Reporter and From The Principal's Desk.

Seated in front of the group are the officers: Mary Nichols, REPORTER; Ann Harder, SECRETARY; Virginia Zacny, PRESIDENT; Pat Kasper, TREASURER; and Marjorie Herbst, V. PRESIDENT.

A very enthusiastic and ambitious group of girls represent our Y-Teen Club.

The official name of this club is the TRI-WISE Y-TEENS of Lowell District High School. This club functions under the goals of growing as people and growing in friendship with other people.

A major activity each year is the selling of Y-Teen potato chips. For the second year now the girls have won a plaque for selling the most potato chips in this area.

The Christmas spirit arrived early at L.H.S. as the Y-Teens added attractive decorations to the cafeteria.

Lettermen's Club

The officers, seated in front of the group, are as follows: Randy Ruge--SEC. -TREAS., Jim Herbst--PRES., John Tuttle--V. PRES., and Ed Snell--HIST.

A proud moment for John Tuttle, John Shipley, Bill Munde, and Bob Benda as they receive their jackets.

The L-Club, organized by and composed of varsity letter-men, helps to promote and boost the athletic program.

During football and basketball season their activities include selling L-cushions and sports programs.

Money received from these projects and advertisements is used to purchase film for the athletic department, in order that movies of athletic events may be taken.

Camera Club

Our "apprentice" cameramen, Jay, Jeff, and Buddy, learning the trade!

The Camera Club consists of students who are interested in photography and acquaints these students with the taking, developing and printing of pictures.

"Is everything in focus, Ed?"

"That negative turned out pretty good after all!"

Future Farmers of America

To practice brotherhood, honor rural opportunities, and responsibilities, and develop those qualities of leadership which a future farmer should possess, is one of the main purposes of the F. F. A.

This year the main project was working on their 40-acre corn plot to make money.

Dave Meyers was awarded the DeKalb award for being the outstanding F. F. A. member

The winners in the annual pest killing contest sponsored by the Lowell Chapter of the Future Farmers of America are: William Dahl, 1st. place; Frank Kukral, 2nd. place; and John Russell, 3rd. place.

Home Economics Club

Presiding, as officers, over the 1959-60 school year are: Agnes Rutkowski as PRESIDENT; Joyce Holtz, SECRETARY; Sandra Martin, TREASURER; Janet Huseman, VICE PRESIDENT, and Nancy Love, SONG LEADER.

The Home Ec. Club strives to stimulate active interest in the field of home economics through many club activities.

One of the outstanding events sponsored by the Home Ec. Club in co-operation with the G.A.A. is the Mother's Tea.

The other activities of the Home Ec. Club included making candy for orphans at Christmas time, and taking a trip to Chicago. On their trip the girls toured the Olson Rug Company and then enjoyed a lunch and fashion show at Carson Pierre Scott & Company.

Another important project of the Home Ec. girls, and an added improvement for the school, was the purchasing of drapes for the cafeteria.

Head Coach Molchan leads the Devils off the field after a hard fought win. Molchan is assisted in his football duties by Kenneth Klein.

Football

The Devils opened their season when they played an abbreviated contest with the Merrillville Pirates in the Calumet Conference Football-O-Rama. They played a scoreless tie with Merrillville.

For our first home game we faced the Griffith Panthers. We trimmed the Panthers for the first time since 1949 by a 7-0 count. Griffith never threatened the tough Devil team until the final two minutes of the game.

The Lowell Devils turned in their second consecutive win when they edged the stubborn Gary Edison Blazers 28-20 in a wild contest which kept fans standing most of the game.

We won our third game by defeating East Gary 20-6. The Devils played the first half as if they had the game won before they started, and had to settle for a scoreless tie the first two quarters, however after holding the Eagles in the third period the Devils went all the way.

We suffered our first defeat to the tough Gary Wirt team by a score of 14-19.

Varsity got to play only a half game after rolling up 33-0 advantage over a small Morocco squad on the local field. The sophomore team took over the entire last half and added touchdowns in each of the final two periods.

Journeying to Highland we suffered our first non Conference game 33-13. Our Devils evidently worrying more about our coming conference tests, were down about as low as possible.

A colorful homecoming event highlighted the Lowell vs Portage game. Our Devils ran up our fourth conference victory by defeating the tough Portage Indians 12-0.

The strong Crown Point team journeyed to Lowell next. However, we defeated the Bulldogs 33-12. The Devil backfield of Shipley, Benda, Manno, Harper, Mundee and Reusze played excellent ball. But our Red Devils linemen played their top game of the season. Standing out defensive ends Grant, Reusze and Jerry Pierce crashed the Bulldog backfield on almost every play.

Going to Merrillville for our sixth conference game. We played in the mud and suffered a loss of our most important game of the season to Merrillville 18-6.

We wound up the season playing the Dyer Indians and losing by a score of 19-7 adding to the misery of having the mercury in the low 20's the Devils gave the Indians a hard game.

In spite of losing our final two games to Merrillville and Dyer we ended with a respectable 6-4 season marking the first time in eleven years that the Red Devil team has won that many games. We also closed the season in a tie with Gary Edison for third in the Conference.

The Devils started their season by losing their first game 63-62 to Chesterton.

However, the Devils won their second game defeating the rough Demotte team 61-48. The Devils jumped off to a 18-6 lead first quarter, increasing it to 42-21 at halftime and at the end of their quarters held a 22 point margin 56-34. Holding the tall Indians to 34 points while hitting 56 themselves we now appeared to be ready for a great season.

In our next two games we defeated Morocco by a score of 94-58, which was the record score for the year, and next defeated Hebron by a score of 69-40.

The Red Devils won their fifth straight game and first Conference test, when they swamped a scrappy Dyer team 81-60. The Devils shooting .550 for the game, jumped off to an 18-10 first period and steadily increased it during the rough contest.

The annual Lake County Tourney at Merrillville was next on the agenda. However we were defeated by a strong Calumet team 69-49.

Playing a hard game the Devils lost to North Judson Blue Jays by a score of 72-50.

Lowell Devils won their sixth game of the season at Thornton Fractional South, 67-63. And added to the season record when they defeated East Gary here 69-58 to give them a season record 7-3.

John Tuttle, our basketball Captain, goes over the rules with referee and opponent.

The Devils were defeated by Donovan 62-47. Conovan used to cramped quarters and friendly refs gained the lead and remained there.

Lowell came within a whisper of the Calumet Conference basketball lead at Gary Edison, dropping a two point decision to the blazing Blazers 53-55.

Next the Devils gave the Portage Indians a hard game by defeating the Indians 71-64. Lowell ran up a 23-14 lead at the end of the first quarter, however, the Indians caught up at 40 40 midway in the third period but the Devils went on to carry a four point margin in to the final period.

The Devils defeated Merrillville in a Conference game 86-50. The Red Devils sprang a new starting live up on the Pirates. Lowell took a lead of 17-12 as the first period closed.

The Devils lost their fourth game of the season to a strong Highland team 59-55. Although it was a hard game it was six consecutive free throws in the last two minutes plus a field goal which won the close game for the Trojans.

The largest crowd of the season packed the L.H.S. gym to capacity for the Devils annual contest against the Bulldogs. The Devils had little difficulty in defeating the small Crown Point team.

Lowell Devils had another breather when they trimmed Wheatfield 67-34. Playing their second night in a row they had a hard time starting, but in the final period they went all the way.

Grouped around Coach Paul Schuyler and Assistant Dan Molchan, our Red Devils get last minute instructions before going on floor for another Devil victory.

The Devils led 36-25 at the half and poured in 27 points in the third quarter to stretch the margin 63-36. Larry Hine popped in 23 points to pace Devil scorers. Fleener and Tuttle connected for 18 a piece and Wedding hit 16 in the well balanced game.

We journey to Gary Wirt next. We hung on to a slim lead over the troopers who tried every trick in the book. But finally emerged with 62-57 victory.

The Devils dropped a heart breaking decision to Griffith at the Panther fieldhouse 85-83. The loss put Lowell in a second place tie with Griffith in Conference play. Lowell was also eliminated in Sectional play by Hammond Noll by a score of 88-52. This ended our season with a 12-7 record. This is the best record posted in many years.

L. H. S. matmen under the capable guidance of Coach Bud Moretz and assistant John Todd clinaxed a 9-4-1 season by winning the Calumnet conference trophy in matches held at the Gary Edison gym.

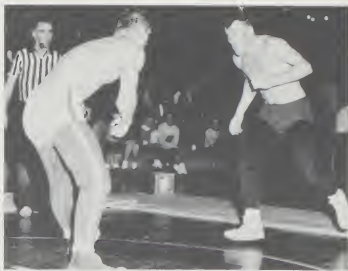

Lowell won the tourney with 102 points, with 7 boys taking first places and three others third.

Lowell wrestling team also took sixth place in the Sectional tournament held at Washington High. Boys who finished first and second in each weight division qualified for the regional. Larry Johnson was Lowell winner in the 168 pound division and Lynn Bannister was runner up in the 127 pound class.

The Red Devils had two undefeated wrestlers who were Larry Johnson and Jim Herbst, although Jim was tied three times this season.

Some of the highlights of this years games were when Lowell matmen ran their seasons record to 6-1 victory over Gary Edison 39-11. And the strong Merrillville matmen lost their first conference match. Lowell had 3 pins and 4 decisions to Merrillville's 3 pins and 2 decisions.

Lowell wrestlers won a 20-21 decision over Hammond Morton giving them their 7th victory in 9 starts. This ended one of the most successful seasons in many years at Lowell High School.

Our Cross Country team this year under the capable guidance of Coach Schuyler ended with a 8-5 record. Among the highlights of this years meets was the Conference cross country meet with Johnnie Tuttle coming in first out of 56 boys, time 10:23, which is very commendable.

Devil harriers lost a close one here when the Knox cross country boys edged them by one point 28 1/2-29 1/2. The meet against Griffith and Merrillville proved easy for the Devils as they trimmed Griffith 18-37 and Merrillville 19-36.

The Devils defeated the fast Wirt team 21-34 and defeated Merrillville 19-36. All in all this proved to be a very successful season.

John Tuttle won All-Conference in cross country and also won the sportmanship award.

John Tuttle, Tom Gollings, Dave Meyer, and Phil Nomanson were the boys who usually scored the points.

Our track team ended with a very respectable season under the Coaching of Coach Todd. Some of the events of this years meet were when Lowell dropped a very close track meet to Hammond Noll Warriors at the Local Field. The Warriors cinched the even contest by taking both relay events 57-52.

Lowell placed third in the triangular meet held here with total points of 36.

The Red Devils hosted a strong Merrillville track squad but were defeated 68-40. The Devils managed only one individual ribbon on Terry Fleeners win in the high jump.

In spite of a few mishpas we had a pretty good season.

Nord comes into third standing up.

Our baseball team ended with a very respectable season under the Coaching of Coach Molchan.

The Devils opened their season when they ran up 27 hits, 6 for extra bases while beating Crown Point 9-5 and E.G. Washington 14-3. Bob Benda topped Devil batsmen in the Crown Point game.

East Gary defeated the Devils 4-2 on the Eagle diamond. Jerry Pierce went all the way on the mound for Lowell giving up 4 runs on 7 hits. This loss left the Devils with a 2-2 record.

Edison defeated Lowell 10-4 and was aided by 7 Devil Errors.

All in all this proved to be a very good season..

Catcher Bobby Benda certainly made a name for himself insofar as baseball and Lowell High School are concerned.

Being a four year letterman in baseball, winning All Conference honors, being one of the leading hitters, and also winning the Sportsmanship Award are among the accomplishments of Bob.

Bobby this year was the recipient of the first All Sports Award for High Scholastic Standing.

Cheerleaders

A sports program in any high school would not be complete without giving three cheers for a group known as cheerleaders who work untiringly to boost the moral of the student body at all sporting events.

Taking charge of bus transportation, leading the pep sessions, buying uniforms, and usually providing their own way to the games are a few of the things our cheerleaders accomplished during the year.

J. V. Cheerleaders were Carol Urbanczyk and Mary Kay Rieke.

Intramurals

An important segment of our school life is the Intramural Sports Program under the Direction of Paul Schuyler. These sporting activities are conducted during noon hours which enables about 90 per cent of the boys in school the privilege of participating.

A wide variety of sports are included in the program such as chess, archery, horse-shoe, tennis, track, table tennis, basketball, volleyball, and dodgeball.

During the past year Mr. Schuyler organized an Intramural Council composed of John Nease, student director; George Malo, publicity manager; and the representatives of the classes—Jim Kenning, Senior; Jim Hunley, Junior; Jim Vadas, Sophomore; and Nick Taylor, Freshmen.

Points are earned by the students whenever they participate in any of the sports and these are used to determine the individual winners in their respective classes. The boys awarded the most points for accumulating the most points were Jim Kenning, Senior; George Malo, Junior; Don Kretz, Sophomore; and Nick Taylor, Freshmen.

Intramural Council members are Jim Vadas, Jim Kenning, Jim Hunley, John Nease, George Malo, and Nick Taylor.

Girls Athletic Association

G.A.A.

This organization is sponsored by Gloria Prysock. There are some two-hundred members who participate in each seasonal sport.

Here the girl's learn new sports, skills, and abilities. To earn a chevron a girl must complete one full year of participation. To earn a plaque she must earn one-hundred points and to earn a letter she must have two-hundred points.

This organization is about the largest in the school and is by far the most active.

UNDERCLASSMEN

FRESHMEN found first year eventful; SOPHOMORES begin to make themselves heard; and JUNIORS find from their major job! Each class has some special event to remember.

The underclassmen look forward to each event of their respective year. Each class works together on many projects such as making money for P.T.A. Carnival and decorating floats for Homecoming.

During these years they learn to work together and meet many new friends. These are years of happiness and fond memories.

Vice president; Ted Pratt, secretary; Linda Little, president; Bob Dahl, treasurer; Bob Haberzette confer on their way to a class meeting.

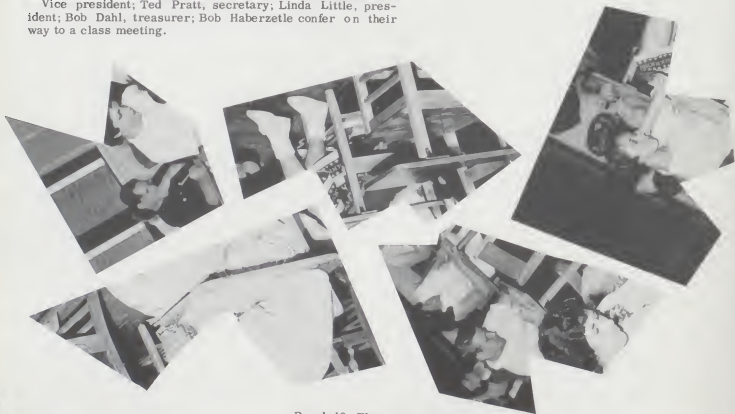

Frosh

Puzzled is an appropriate word to describe how the Frosh looked and felt at the beginning of the year. Learning to be an L.H.S. devil is an experience they won't soon forget.

Their big sisters and brothers using their superiority provided an entertaining but harrowing initiation. For instance; carrying a potatoe on a fork, wearing crazy hats, and clothing just the opposite of the way it should be worn. These activities provided much wholesome fun.

Then came an unfortunate anticlimax, assignments and more assignments. Studies took up most of their time, still they joined in the fun of going to basketball games, dances, the drugstore after school, and other extra curricular activities.

As a result of their first effort to become organized Bob Dahl was chosen president; Ted Pratt, vice president; Linda Little, secretary; Bob Haberzette, treasurer.

Puzzled? They certainly were!

Tornado! Hurricane! No just Frosh initiation. Rosezell Loveless, Judy Rieke, Joyce Holtz, Pat Kasper, and Lynn Hunter model fashions the Frosh girls are to wear the next day.

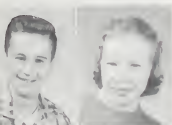

Scrubbing the gym floor? No this is just one of the ways the Frosh boys showed their humbleness to the mighty Seniors at their initiation.

As the year drew to a close they fitted the parts together and stepped into the role of sophomores.

Sophomores

Active! Sophs followed this trend throughout the year. Leading their class was Ronnie Kasparian, president; Douglas Herbst, Vice President; Benny Rouse, Secretary and Treasurer.

Their representation in the All-School Show help lend to its success. Two of the things that put excitement into the busy year was picking rings styles and receiving class sweaters.

Starting early they have made plans concerning the Junior and Senior Prom.

This year they began to feel that they belonged and enjoyed participating and being a part of L. H. S. and its many activities.

Look out Benny! Benny Rouse doesn't seem to realize what his fellow officers Doug Herbst and Ron Kasparian have in store for him.

FADS N' FASHIONS

Paul Fuller and Leah Parrish pause between classes at the bulletin board.

Thirsty girls, or is this just another gab session between classes.

President; Bruce Milakovic, treasurer; George Malo, and vice president; Jack Wilson seem to doubt secretary Toni Jo Vandermark's ability to drive.

The Junior Class

The class of 1961, enthusiastic juniors, will make a great senior class.

Politics came early in the fall when they elected their officers: Bruce Milakovic, president; Jack Wilson, vice president; Toni Jo Vandermark, secretary, and George Malo, treasurer, to guide them through their junior year.

During Homecoming half-time the honor of being crowned Homecoming Queen was given to petite Marion Midkiff one of their two candidates.

It was a more serious class this year, and they realized the need to get busy and study. The Junior and Senior Prom which climaxed all social activities was held May 27 at the Gary Hotel. The dreamy music and beautiful decorations wove a spell over the many couples.

Steady rings were exchanged by many of the students and diamonds took charge of a couple of the junior hearts.

Juniors supplied the athletic teams with plenty of talent and became proud owners of letter sweaters.

They were upperclassmen with just one more step to being seniors, looking forward to that last year, the realization of ambitions and commencement.

SPOTLIGHT

Many students in the school enjoy classes and extracurricular work in Dramatics, Music, and Art. To some these activities are interesting hobbies, to others they are serious work that they will continue after graduation. On the following pages you will see these students and the organizations in which they are interested. Students work to achieve success in their fields of interest. Awards are given to the ones deserving of them. The pictures of these honor winners also appear in this Spotlight Section.

L. H. S. Band

This year we have divided the band into sections according to the instrument they play. In this way, we hope to give a better picture of each individual.

The marching band began work early this year. On August 27, 1959, they marched in a contest at Riverview Amusement Park. They received a first place with a 96.9 rating out of a possible 100.

In their regular marching contest, they received a second place. This contest was held in Merrillville on October 17, 1959.

Besides marching in all the local parades, such as the Labor Day parade, Crown Point's 125th Anniversary parade, and Memorial Day parade, they also performed at many of our football games.

The concert band held two concerts for the public --- their Winter Concert on January 31st and the Spring Concert in connection with the choir on May 8th. They also gave a concert at Beatty Memorial Hospital at Westville.

The band has performed at various school activities, too.

They sponsored the concert given by the Indiana State Teacher's College band. The Jim Lounsbury dance at the Legion Hall was sponsored by the band also.

The state contest was held on April 23rd in Hammond. The contest was in two parts --- first the playing of a rehearsed number and then playing by sight-reading. Our band received a third place.

"The Band"

The band officers are as follows: Sonny Clark, Vice President; Jannon Pattee, Secretary; Janet Nomanson, Treasurer; and Alan Wietbrock, President.

The "Pep Band" relaxes after playing at the Pep Rally.

The band has managers to keep the music and instruments in order. This year Nick Davis, Joe Fontaine, Lynn Bannister, Alex Wilkas, and Sonny Clark are the managers.

Music Awards

The Arion Award is sponsored by the Lowell Chamber of Commerce and is awarded to a student for his meritorious work in band. This award, chosen by the director of the band, was presented to Alan Wietbrock by Floyd Holland, representative of the education committee of the Chamber of Commerce.

The Outstanding Bandmember is chosen by the members of the band themselves. They vote for their choice on the basis of personality and attitude, as well as musicianship. This year Carolyn Gritten was the senior chosen. Here Mr. Pattee of the Band Boosters presents the award to her.

Sue Bailey and Brenda Roberts each won a gold medal at the district vocal contest. In the state contest, they also won first place, receiving a gold medal. Sue's song was "Serenade" by Schubert while Brenda chose "My Mother Bids Me Bind My Hair" as her selection.

These band students won first place at the state solo and ensemble contest. Carolyn Gritten and Paul Hittle played a trumpet duet; Kathy McCarty, clarinet solo; and Chuck Ham and Delight Juuti, flute duet. Delight also received a gold medal for her flute solo.

GIRLS CLUB CLUB

Modern Music Masters

The Tri-M officers, seated in front, are Donna Richmond, treasurer; Chuck Ham, vice-president; Sonny Clark, president; Joyce Gerold, secretary; and Virginia Zacny, historian.

Chuck Ham was voted the winner of the Top-Notch Award by the members of the group. This award is given to a student considered outstanding in musical work.

Students in band and choir that have a B or better average in music, a C or better in other subjects, or have received a gold medal at state contest are eligible for membership in the Tri-M. The purpose of the Modern Music Masters is to foster a greater and continued interest in solo, ensemble, band, orchestral, and choral performance; to encourage better and more discriminating habits in listening to and in the performance of musical literature; to provide wider and more frequent opportunities for personal musical expression in the schools, churches, civic organizations, and social service clubs of our community; to increase and advance the spirit of good music and musical knowledge and further the reputation of our school as a music center.

Spring Concert

The Spring Concert was sponsored by the music department of L.H.S. The band and choir joined together for two numbers and each presented their own group of songs. It was a very beautiful program for the gymnasium was decorated in honor of Mothers' Day. Each mother received a rose at the door.

Art exhibits were shown in the cafeteria. More than 200 works of art by the students of Mr. Ray were judged. Two medals are awarded by the school each year to the most outstanding artists. No student may be a medal winner more than once. Barbara Sullivan was named the grand award winner of the show; she won a medal last year. Medal winners this year were Ed Snell and Joyce Pratte.

The shop display was held this year on May 20, 1960. Projects of the boys in industrial arts shown to the public.

A l l S c h o o l S h o w

We know "Beatniks" are mixed-up people, but this is ridiculous.

Here is our one-man band! Duwayne Hofferth shows great skill by playing a cornet, the piano, and the drums all at the same time. He produced "hot" jazz music.

A fine rendition of "Stormy Weather" was given by Brenda Roberts. Brenda was only one of the talented singers that contributed to the success of our show.

We incorporated the "Beatnik" idea into this year's all-school show. Cafe Bongo is a typical meeting-place for young artists, people who hope to leave a definite mark on the world. Some sing, some dance, some paint, some compose and write, and others make music through horns. This atmosphere set the scene for our show. The stage was populated at all times by performers who happened to drift in.

The show is representative of all classes; that is, a member of any class may have a part. There were approximately thirty-five individual acts. These acts covered pantomime of records and individual talent such as a one-man band, several singers, and dancers. Much outside practice was done to make this an appealing show.

Our masters of ceremony, Jane Quivey and Stuart Juuti, were responsible for insuring the continuance of the show without interruption. Ron Bartlow was the student director.

George Phillips has probably never had so much attention in his life as he sings "Mack the Knife" to his girls.

"Eloise," portrayed by Mariann Rhode, certainly looks wicked as she pesters these Beatniks.

This picture is a typical "Cafe Bongo" scene. The informality with which the show was conducted is evident here.

Eight sophomore girls teamed together to do a modern dance number called "Almost Good".

The Juniors Present

This quotation was taken from the program.

Joan Templin: "The Patchwork Quilt presented a great challenge to the juniors of '61. The challenge was taken and I'm sure we'll never regret it. It will be an experience never to forget."

After telling the story of the "Patchwork Quilt" to her daughter, Brenda tells it to the others.

Dinah, you're not on stage yet!!

Likewise, this quotation.

Brenda Roberts: "I believe a dramatic play is a greater challenge than a comedy, for we have to project our emotions much more so as to hold our audience's attention."

"The Patchwork Quilt"

And the story begins . . .

Hey, I thought you kids were supposed to be working!

Toni Jo Vandermark, the student director, and Lee Kaiser, the stage manager, are conferring about a problem in the script.

"Gentlemen Prefer Blondes"

The play opened with Lorelei Lee (Janet Nomanson) and her friend, Dorothy (Lynn Hunter) saying "adieu" to their friends before they leave for Europe.

Lynn, it can't be that bad - - - or can it?

Hmmm!! Ed Snell and Tom Gollings are two French detectives. But - - - just what are they looking for? Patsy Pace looks startled at their discovery.

Although Stuart deplores the dangers of two young girls alone in Europe, Lynn and Janet take a different viewpoint. Could they be looking forward to these "dangers"?

Say the Seniors

The stage hands are always working.
The flats must be set up . . .

. . . scenery must be moved.

They must be saying
their lines right! Pat
Kasper, the student
director, seems to be
happy.

Martha and Judy's work appears on
stage even if they don't.

After the work is over . . . then comes the fun.

"Most Beautiful Blonde" Contest

Here she is --- the girl chosen as the most beautiful blonde of Lowell High CHARLENE STEVENS. She was chosen by the entire student body in a contest staged by the seniors in connection with their play.

Pictured above are the candidates that were chosen from each homeroom and their escorts. Sharon Alyea and Lonnie Nelson were in charge of this affair. This was taken as Charlene was announced the winner, therefore the surprised expressions.

Mary Kay Rieke, center, was the second place winner as was announced at the Friday matinee. Sandra Burger, left, and LaVerne Bruce, right, tied for third place. Their success was announced at the performance Thursday night and Charlene was heralded as the "Girl Preferred by Gentlemen" Friday night.

Dramatic

Awards

Lynn Hunter and Ronald Bartlow are the "Outstanding Thespians" of the class of 1960. They had accumulated the greatest number of Thespian points throughout their four years of dramatic work.

Pat Kasper and Willodene Mahone were selected by the senior play cast and crew for outstanding backstage work and outstanding stage performance, respectively.

The junior cast and crew chose Toni Jo Vandermark for the best backstage work and they chose Brenda Roberts for the best performance on stage.

Stuart Juuti was selected for the best stage performance and Bob Austgen received the award for best backstage work as chosen by the members of the all-school show.

The dramatic classes chose Joan Templin as the outstanding performer in short plays.

Honors and Awards

The V.F.W. sponsored an essay contest open to seniors only. The topic of the essay was "Communism and Its Threat to the American Way of Life." The winners were Wilfred Stratton and Sandy Turner, third place; Pat Kasper, second place; and Cynthia Coons, first place.

The Lillian Brownell English Award was presented for the first time to three seniors. The three were Mary Nichols, third place; Stuart Juuti, first place; and Jane Quivey, second place. They were chosen on the basis of their improvement and development of English skills.

The U.S. History Award is presented every year to the students who show the most interest and do the most work in United States History. Joan Templin was the first place winner with a three-way tie for third among Barbara Sullivan, George Malo, and Brenda Roberts.

Joan Templin was the winner of the Girls division of the Rotary Speech Contest. George Phillips won in the Boys division. George also won the American Legion Oratorical Contest.

Martha Copelin was named the "Outstanding Home Ec Student" by her home economics teachers. She has had the highest grade average in home ec for four years.

This year Lowell High School held its first science fair. Wilfred Stratton, with his project "The Anatomy of a Frog," won the Grand Prize. There were four divisions in the high school section. Wilfred also won first place in two of these. He and several other students took their projects to the Calumet Regional Science Fair, where they received Honorable Mention. The Bausch-Lomb Award for outstanding work in the field of science was awarded to Wilfred, also.

Bob Dahl, front left, placed second in the county in livestock judging. Carlton Ebert, back right, placed first in the county and seventh in the district in dairy judging. Ron Ebert, back left, placed second in the county and Ron Dawson, front right, placed fifth in the county in dairy judging.

Here we have Ken Craft putting his "Corn Bookends" in his locker. Ken received these for having the highest yield of corn - 143 bushels per acre.

Dave Meyer was given the DeKalb Award and was chosen for the "Outstanding Hoosier State Farmers Degree" by his fellow ag students.

GIRLS' STATE

Sandy Turner, Judy Rieke, and Pat Kasper, standing, attended Hoosier Girls' State last year. They are showing this year's delegates, Karen Woodke, Mary Alice Howkinson, Brenda Roberts, and Toni Jo Vandermark, a scrapbook of their events.

Hoosier Girls' State is sponsored by the American Legion Auxiliary. It is held at Indiana University in Bloomington, Indiana. The girls are chosen for their interest in government, leadership qualities, character, and scholarship.

BOYS' STATE

Hoosier Boys' State is very similar to Girls' State. The activities are much the same, and include setting up various state, county, and local governments. Political parties are formed and election campaigning is very vigorous.

Seated are Jim Herbst, Bob Benda, and Larry Johnson, who attended last year. John Nease, George Malo, and Joe Haberzette were chosen to attend this year.

HOMEMAKER OF TOMORROW GEORGIA DICKERSON

The senior home economics students took a fifty-minute written examination on homemaking knowledge and attitudes. Georgia received the highest score on the test. She has received an award pin with the slogan "Home Is Where the Heart Is" engraved upon it. Her examination paper, along with the papers of the other high school winners, will be submitted for competition to name the state Homemaker of Tomorrow.

GIRLS' STATE ALTERNATES

Alternates are chosen for each girl in case she would not be able to attend. Mary Nichols, Jeanne Kleinke, and Lynn Hunter, who are standing, were alternates for their classmates last year. Joan Templin, Sharon Stack, Donna Richmond, and Barbara Sullivan received the honor of being alternates this year.

BOYS' STATE ALTERNATES

In the back row are Wilfred Stratton, Stuart Juuti, and John Tuttle, who were alternates for the boys who attended Hoosier Boys' State in June, 1959. Gene Fuller, Gary Alexander, and George Phillips (absent) were alternates this year.

D. A. R. AWARD JUDY RIEKE

This special presentation by the Daughters of the American Revolution is made annually. The honor is bestowed for outstanding citizenship throughout four years of high school. Important qualities evaluated in candidates include dependability, service, leadership, and patriotism.

JUNIORS

Here we are at last. The Class of 1960 taking the big step. To many of us leaving is a hard thing to do. Here, we have gained new friends, taken on responsibilities, learned our lessons, (we hope) and really enjoyed our many fun-filled experiences.

We'll always remember these days at L. H. S. and the following pages record our final days.

The first big event of the year for the Senior girls was the Big Sister-Little Sister Party. This was our second party of this type in our four years of high school but this time we were the big sisters. Judy Nomanson seems to be enjoying this privilege as she blindfolds one of the freshmen.

At the Interclass tournaments things seem to be reversed as the Senior boys cheer the girls on to victory. Most classes have girl cheerleaders but Jerry Pierce, Terry Fleener, Lee Usher, and Wayne Mahan (hiding behind the pompoms think Seniors should be special.

We presented our Senior play and everyone in the cast and crew worked hard including Tom Gollings and Ron Ellis who seemed to be giving a little advice to Bob Benda and Jerry Pierce. Wonder if they're really helping.

One of the big moments of our final month of school was our Senior Banquet. Held at Teibel's, it was enjoyed by every one present.

Stuart Juuti gave the Senior Farewell at Honorday. He spoke the thoughts of many of his class as we spent our last days in school.

Pat Kasper earned the high honor of being Valedictorian of the Class of 1960.

The Salutatorian for the Class of '60 was Martha Copelin.

Many awards were given to some of the outstanding Seniors at graduation. And one of these was the D. A. R. citizenship award presented by the principal, Mr. Frank E. Dick to Judy Rieke.

Mike went to Bishop Noll High School his freshmen year. He has taken a College Prep and Industrial Arts course. He will either further his education or go to work.

The big moment is almost here. Is everyone's cap on straight?
Anybody's knees shaking?

Mr. Todd, one of our Senior Sponsors really isn't collecting tomatoes. He's collecting gum. It would be very undignified for us to be chewing gum when we go down to get our diplomas.

Somebody had better hurry and get in line. It looks as if some of the Seniors might have a bad case of nerves.

Our ushers, Janet Huseman and Mary Alice Howkinson, lead the procession as we march in to one of the most important events of our lives.

Our commencement speaker was Professor O. D. Roberts, the dean of men at Purdue University. He gave a very interesting and inspiring talk.

The last of the Seniors march in as the band plays the final strains of Pomp and Circumstance.

The solemn look on the faces of the Seniors must be because this is the last time they will ever sing with the choir.

At last we receive our diplomas. Our parents, relatives, and friends look proudly on as we complete our high school education.

Now it's over. We leave with mingled emotions. Happiness, relief, and perhaps some sadness as many of us leave behind our school days.

Caps and gowns are taken off for the last time as we prepare to go to open houses, parties, or just a good night's sleep.

Mr. Moretz, another of our sponsors, packs our caps and gowns so they can be sent back for another Senior Class to use, as a few of the Senior boys clutch those precious diplomas.

what's
their
future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
